XYLOS CALENDAR COURSES

Advantages of Calendar Courses

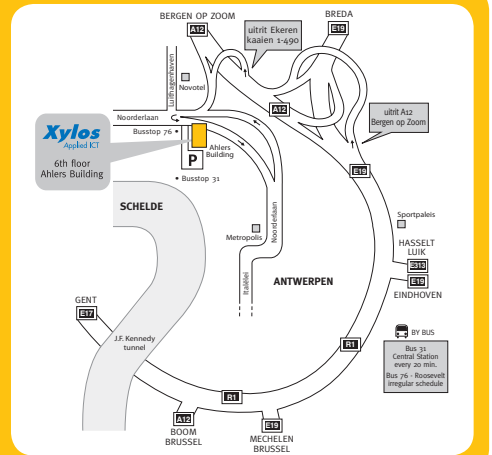

- No disruptions: the participants are away from their workplace and will not be disrupted.
- Shared experiences: contact with employees from other companies ensures a positive exchange of knowledge.
- Flexibility: every training course is regularly organized at various locations.
- Efficiency: urgent and one-off training needs are quickly fulfilled.
- Motivating: following training courses on site is an important incentive for participants.
- Administration: limited.

We provide for every participant

- Parking lot
- PC
- Course material
- 3 course lunch & coffee/tea/orange juice during the breaks
- Helpdesk during one month after the course
